OTHER INFO

Burlotto's winemaker, Fabio Alessandria, doesn't just make great Barolo, he makes great *everything*. Apart from his majestic Barolos, his special Barbera cuvée "Aves" has consistently been one of his most impressive wines. Aves is also one of his greatest bargains.

Production of Burlotto's top Barbera is small. Made with 100% estate fruit, Fabio works with just two parcels of very old Barbera vines, in Verduno's Neirane cru and in Castagna. Vinified with 50% whole clusters, the fermentation is done with wild yeast and the wine ages in 500L barrels.
