AWARDS & ACCOLADES

2021 ~ 96 Points. "There is beautiful precision to this Cabernet Sauvignon from Pirque, one of the coolest parts of Maipo, with layers of fresh black forest fruit, minerals and wild herbs. Graphite-like tannins and vibrant freshness lead to a long, spiced finish with tension and finesse." - Amanda Barnes - Decanter, Jun/2024

2021 ~ 95 Points. "Tobacco, charcoal, fine spices and a hint of graphite and white pepper to the sweet red berries. Complex and refined, this has excellent depth, exhibiting a little less fruit and weight if you compare this with the 2022 but showing more nuance and elegance. More of a medium-bodied wine but intriguing, it has a light cedary tone to the lengthy finish. Cabernet sauvignon with carmenere and carignan. Drink or hold." - Zekun Shuai - James Suckling, Mar/2025

2021 ~ 94 Points. "The 2021 Altazor comprises 94% Cabernet Sauvignon from Alto Maipo, 4% Carignan from Maule and 2% Carménere from Colchagua. It opens with a rich, harmonious and exotic nose of black fruits, exotic spices and turned earth. On the palate, it is intensely concentrated and seamless while exuding an athletic, dynamic energy. It concludes with a vibrant, creamy and long-lasting finish, remaining sleek but not feeling over-engineered." - Matthew Luczy - Robert Parker's Wine Advocate, Mar/2025
