2018 ~ 91 Points. "From a blend of beautiful sites across the valley, including Arcadia Vineyard in Coombsville and Rancho Chimiles in Wooden Valley, as well as small amounts of grapes from S.L.V. and Fay, this wine is inviting in dense aromas of red fruit, caramel and brioche. With dashes of Petit Verdot and Malbec, it finishes on accents of tobacco and cedar." - Wine Enthusiast, Dec/2020

2018 ~ "The 2018 Cabernet Sauvignon Artemis is composed of 98% Cabernet Sauvignon, 1% Petit Verdot and 1% Malbec. Deep garnet-purple in color, it storms out of the glass with bold notes of baked plums, boysenberries and warm cassis, plus hints of spice box and bay leaves. Medium to full-bodied, lively and with crunchy black fruits and herbal accents, the uncomplicated flavors are framed by soft tannins, finishing savory." - Robert Parker's Wine Advocate, Nov/2021

OTHER INFO

Our Napa Valley collection of wines is crafted with the same approach to winemaking as our limited-production estate wines, resulting in wines of supple power and elegance. Artemis, named after the Greek goddess of the hunt, represents our targeted approach of establishing this wine's origin, style and character as a gateway to our renowned estate wines. The heart of the Artemis blend is composed of fruit from our estate vineyards. Cabernet Sauvignon from Arcadia Vineyard gives the wine tannin and structural support. FAY contributes a generous perfume, while the wine's complexity and concentration benefit from a small but significant addition of S.L.V fruit.
