TASTING NOTES

Colour:	Deep garnet red.
Aroma:	Dark red fruits on the nose, complimented by savoury notes.
Taste:	A cool refreshing Barbera with a very complex mid palate with great intensity; dark fruit, licorice, mineral, and savoury elements, excellent length.
Food:	Smoked pork shoulder, port roast and stir-fry beef.

AWARDS & ACCOLADES

2020 ~ 93 Points. "The Comm. G.B. Burlotto 2020 Barbera d'Alba Aves is darkly saturated and medium in texture with sweet cherry and shadings of crushed aspirin, wild cherry and pungent red rose. The heat of the vintage has ratcheted up those aromas of black olive, earth and candied licorice. There's a lot going on in the glass." - Robert Parker's Wine Advocate, Jun/2022

2020 ~ 91 Points. "The 2020 Barbera d'Alba Aves is a gorgeous wine. Over the last few years, Fabio Alessandria has dialed back the overtness in the Aves, which yields a much more refined wine than in the past. In 2020, the Aves is especially restrained and also not that far stylistically than the straight Barbera. I would drink it over the next few years, while the fruit is vibrant. The Aves is a selection of fruit from vineyards in Verduno and Roddi. It sees about ten months in 500L barrels, including some acacia in the mix. This super-classic Barbera is a jewel of a wine." - Antonio Galloni's Vinous, Nov/2021

OTHER INFO

Comm. G.B. Burlotto is a historic producer with over 150 years of history of producing in the commune of Verduno. The winery is founded by Giovan Battista Burlotto and is one of the first to sell wine labelled in bottle and not demijohns or barrels like every other producer in Piedmont at the time. Today, Burlotto is a top boutique producer in Verduno. It uses highly traditional winemaking techniques with extended maceration and up to 60 days with the extraction enhanced only by initial foot treading. The Aves Barbera d'Alba is 100% estate Barbera. This is Burlotto's best effort for Barbera, coming from their best site. The fermentation is done with wild yeast and the wine ages in 500L barrels.
