AWARDS & ACCOLADES

2016 ~ 90 Points. "Lithe and lively, this red shows a core of fresh black cherry flavors, backed by licorice, cocoa and light leafy notes. Light tannins and fresh acidity are balanced, giving way to floral and mineral details on the finish. Drink now through 2022. 10,000 cases made." - Wine Spectator, Jul/2018

2015 ~ 95 Points. #37 Top 100 Spanish Wines of 2017 "A sweet raspberry nose that is so fresh and pure. Electric tension between the fruit, tannins and acidity, and a great texture too. A stunning wine that redefines what Spanish red wine can be. Drink now." - James Suckling, Jul/2017

2015 ~ 91 Points. Editor's Choice "Ripe, fleshy, minerally blackberry and black-cherry aromas are pure, deep and suggest high quality that's confirmed later on. In the mouth, this Mencia from an excellent vintage is racy and pumped up, with acidic energy and tannic grab. Roasted black-fruit flavors come with notes of spice cake and salt. A long, full finish confirms how good this is; drink through 2022." - Wine Enthusiast, Nov/2017

OTHER INFO

Mencia grapes are selected from vineyards located in different areas of Bierzo where careful vine-growing, the right altitude and good exposure enable perfect ripening of the grapes. The vineyards are planted in different soil-types, most of which are either made up of fragmented slate (such as in Campo and Molinaseca) or clay (as in Valtuille and Villadecanes).
